

## Glass Stones:

We attempt to carry as wide a range as possible. Please check with us to make sure we have stock of the size and colour you require.

### Please Note:

1. **Availability**- Depending on market demands, fashion trends and production constraints some colours may not be available at all times.

2. **Colours** - We stock:

A. **Standard Colours** - these are the colours that we regularly hold in most sizes and are usually readily available.

B. **Special Colours** - these are colours that we stock when we can source them and as such may not be readily available in all sizes at all times.

Please call to check size and colour availability.

We also carry a range of Vintage Stones. Please contact us for details.
